A National Entry Application was filed in the US Patent Office on November 28, 2000, in the name of Tyco Electronics Logistics, AG and assigned Serial No. 09/701,349.
3. Our office received from Mr. Peter Hirsch, (European Patent Attorney with Klunker, Schmitt-Nilson & Hirsch of Munich Germany) a copy of the Patent

application as filed in the U.S. Patent office, as well as a copy of the declaration for execution. On December 20, 2000, our office faxed to the above mentioned inventors, including Mr. Tom Blomme, the patent application and declaration to be signed for the U.S. Patent Application. The fax to Mr. Blomme was directed to his business address in Belgium, namely to:

4. On or about January 20, 2001, at the request and direction of my Supervisor Ms. Heinz-Schäfer, I called and spoke with Mr. Tom Blomme regarding the status of the application papers. He informed me that he had received the application papers, including the declaration, but that he refused to sign the declaration, and any further formal papers. Our office then forwarded to Peter Hirsch those declaration pages which had been executed by the remaining inventors, and informed Mr. Hirsch that Mr. Tom Blomme had refused to sign.

AFFIDAVIT OF ERIC J. GROEN
IN ACCORDANCE WITH 37 C.F.R. § 1.47

I, Eric J. Groen, being duly sworn, depose and state that to the best of my knowledge:

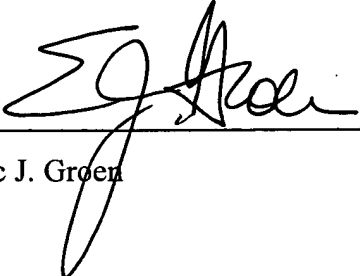

1. I am an attorney registered to practice before the United States Patent and Trademark Office (Reg. No. 32,230). I am currently, and have at all times relevant hereto been, a partner at the law firm of Baker & Daniels, which office is located at 205 West Jefferson Boulevard, Suite 250, South Bend, Indiana 46601.

2. I have been retained by Klunker Schmitt-Nilson & Hirsch (KSNH) to file a national U.S. patent application corresponding to PCT/DE99/00918, for an RF Connector with Cutting Edges. Peter Hirsch, Dipl. Ing. of KSNH forwarded to me the PCT application papers for filing, which application named eight inventors who contributed to the invention. The inventors being Tom Blomme, Jan Dessen, Marcus Schulte, Martin Sträb, Edgard Acke, Joris Dobelaere, and Bernard Houtemann. I prepared a National Entry Application which was filed on November 28, 2000, and assigned Serial No. 09/701,349.

3. We forwarded to Mr. Peter Hirsch on January 19, 2001 a copy of the Notice to File Missing Parts, with a request that the declaration be signed by the eight inventors. Subsequently, on about April 17, 2001 in a letter from Mr. Hirsch, I received the declaration signatures of seven inventors, less Mr. Tom Blomme. In this letter, Mr. Hirsch informed us Mr. Blomme had refused to sign the declaration.

4. I have had a personal phone conference with Mr. Peter Hirsch, who informed me that Tyco Electronics Logistics, AG had forwarded the declarations for signature directly to the above mentioned inventors. In this same conversation, Mr. Peter Hirsch confirmed his understanding that Mr. Tom Blomme had refused to sign the declaration. Mr. Peter Hirsch also informed me that Ms. Marion Heinz-Schäfer, European Patent Attorney for Tyco Electronics Logistics, AG, was responsible for sending the declarations to the inventors.

5. On May 9, 2001, I had a personal phone conference with Ms. Marion Heinz-Schäfer, and she confirmed that their office sent the declaration for signature of the above mentioned application, directly to the various inventors. Ms. Marion Heinz-Schäfer also informed me that she requested her secretary Ms. Pia Mueller, to follow up with the inventors to receive the signed declaration, and in that course of follow-up, Ms. Pia Mueller talked with Mr. Tom Blomme who indicated his refusal to sign the declaration.
